

Detailed Timeline for 2019 Quarterly Dialysis Facility Compare (QDFC) Reports, the Quarterly Updates of the FY 2019 Dialysis Facility Report (QDFR) for State Surveyors Report, and FY 2020 Dialysis Facility Reports (DFRs), State and Region Profiles

***Important: The Quarterly Dialysis Facility Compare (QDFC)-Preview for the October Report includes updates of all measures for the prior calendar year, including the Star Rating. All other QDFC Preview reports update the quarterly measures (Kt/V, hemoglobin, vascular access, mineral metabolism), moving forward one quarter with each update. The semi-annual ICH CAHPS measures are updated in the Preview for the October Report and the Preview for the April Report.

The Quarterly Updates of the FY 2019 Dialysis Facility Reports (QDFR) for State Surveyors Report includes summaries of select measures reported in the FY 2019 Dialysis Facility Report (DFR). The December update of the QDFR includes summaries for the first quarter of 2018 and for the most recent calendar years reported in the FY 2019 DFR. The March and June updates of the QDFR add on summaries for the second and third quarters of 2018, respectively. All measures are updated for calendar year 2018 in the FY 2020 DFR.
